### GENERAL INSTRUCTIONS.

This record book has been prepared for keeping the records of all live-stock clubs. A few tables and questions may not apply equally to all kinds of live stock. If an animal is being fattened and sold for meat, the tables intended for breeding animals would not be used.

#### FOR COUNTY AGENT OR CLUB LEADER.

Prices of feedstuffs should be written, or a printed list pasted, on this page by each club leader or county agent. Notes on feeding, care, and management may also be added.

352554

ALL LIVE-STOCK CLUB MEMBERS ARE REQUIRED TO  
KEEP A RECORD.

What is your name? .....

Post office .....

State ..... County ..... Age .....

Club or school .....

Leader or teacher.....

Why did you join a live-stock club? .....

.....  
.....

What was the date when you started the record? .....19.....

How old was your animal when record started? .....

What breed did you select? .....

Why did you select this breed? .....

.....  
Is your animal registered? .....

NAME OF ANIMAL.	REGISTRATION NUMBER.	WEIGHT WHEN RECORD STARTED.	VALUE WHEN RECORD STARTED.
.....	.....	.....	.....
.....	.....	.....	.....
.....	.....	.....	.....

How did you secure your animal? .....

.....  
.....

Are you growing it for breeding purposes, or to be fattened and sold  
for meat, or for home use? .....

CONCENTRATES FED (Corn, etc.).

NOTE.—Weigh up a supply of the different kinds of feed sufficient for one month. The kind and amount of each of these feeds should be entered in the columns provided below. From this supply, which should be kept in a tight box, each day's feed should be weighed out. No record need be kept of the amount fed each day. Feeds fed to calves, pigs, or lambs, after being weaned, should be entered separately from that of mature animals. Use prices given on inside of front cover in figuring costs.

[illegible]

Did you assist in raising any of these feeds?\_\_\_\_\_

ROUGHAGES FED (Hay, etc.).

NOTE.—Weigh up a supply of the different kinds of feed, except such feeds as silage, sufficient for one month. The kind and amount of these feeds should be entered in the columns provided below. Each day's feed should be weighed out. No record need be kept of the amount fed each day. Feeds fed to calves, pigs, or lambs, after being weaned, should be entered separately from that of mature animals. Use prices given on inside of front cover in figuring costs.

[illegible]

Did you assist in growing any of these feeds ? -----

PASTURE OR FORAGE CONSUMED.

What kind of pasture did you use?\_\_\_\_\_

Did you grow any special forage crop?.....

What kind did you grow?\_\_\_\_\_

Did you assist in growing forage or keeping the pasture clean?.....

Did you use more than one field of pasture or forage?.....

How did you do it?\_\_\_\_\_

How many days was your animal on pasture?.....On forage?.....

TOTAL VALUE OF PASTURE OR FORAGE USED.....\$.....

## MISCELLANEOUS FEEDS FED.

NOTE.—Kitchen waste, vegetable parings, lawn cuttings, and all green crops cut and fed, not entered elsewhere, should be recorded below. Feeds fed to young animals after they are weaned may be entered separately.

[illegible]

TOTAL VALUE OF MISCELLANEOUS FEEDS FED \_\_\_\_\_ \$\_\_\_\_\_

NOTE.—If you are growing your animal for breeding purposes fill out the tables on this page.

BREEDING RECORD.

Name or number of female bred.	Date bred.		Date due.	Name or number of sire.	Breed of sire.
	First.	Second.			

YOUNG ANIMALS PRODUCED.

Date born.	Number born.		Number raised.		Number sold.	Price.	Number on hand at end of contest.
	Male.	Female.	Male.	Female.			

Did you have any difficulty in raising the young animals? .....

What trouble did you have? .....

What were some of the peculiarities or tricks they had? .....

### REPORT—PRODUCTS OBTAINED.

*Increase in weight.*—If you have fattened your animal to be sold for meat or for home use fill out the following table:

Name or number of animal.	Weight at end of contest.	Increase in weight during contest.	Value at end of contest.

*Other products.*—If you obtained milk, cream, butter, wool, or meat of animal butchered, fill out the following table:

[illegible]

Total butterfat produced, pounds.....

What did you do with products (milk, cream, butter, wool, meat)?

## FINANCIAL STATEMENT.

NOTE.—Do not write on this page until contest is finished. Then compile report from records on preceding pages.

How much time did you spend each day in actually feeding and other-

wise caring for your animal?.....

How many hours did you spend during the entire contest?.....

How did you spend your time with your animal?.....

### EXPENSES.

Value of animal at beginning of contest (page 1)..... \$.....

Value of concentrates fed (corn, etc.) (page 2)..... \$.....

Value of roughages fed (hay, etc.) (page 3)..... \$.....

Value of pasture or forage at.....per animal (page 4)..... \$.....

Value of miscellaneous feeds fed (vegetable parings, etc.,  
page 4)..... \$.....

Other expenses (veterinary, registration, etc.)..... \$.....

TOTAL EXPENSES..... \$.....

### RECEIPTS.

Value of original animal at end of contest (page 6)..... \$.....
